The 3rd “Rendez-vous de Concarneau” :
“Where Industry meets Science in Marine Biotechnology”
30-31 August 2011

The ‘Rendez-vous de Concarneau’ constitutes a series of workshops aiming at promoting relationships and strengthening bridges between Industry and academic research, and further at providing technology and knowledge transfer among stakeholders within European marine biotechnologies.

Preliminary programme

Day 1

Introduction

The MNHN welcomes the ‘Rendez-vous de Concarneau’ (speaker to be announced)

The ‘Rendez-vous de Concarneau’ in the European Research Landscape (Torger Borresen, DTU, Copenhagen, DK))

The Marine Biotech pre-ERA Net, a European Collaborative Support Action (Steinar Bergseth, Research Council, Norway)– to be confirmed)

Pharma and Biomarine resources

Alejandro Mayer (Midwestern University, Downers Grove, Ill, USA) - The global marine pharmaceuticals pipeline in 2011

Adrianna Ianora (Stazione Zoologica, Napoli, Italy) – title to be announced

Joint Research Team between an industrial group (Pierre Fabre Laboratories), the University UPMC (Paris 6) and CNRS at the Marine Station of Banyuls-sur-mer (Philippe Lebaron, Univ. Paris 6)

Chemistry versus Bio (Georges Massiot, CNRS)

Pharmamar– title to be announced

Intellectual Property Rights and marine bioresources (Jean-Dominique Wahiche, MNHN)

Technology Transfer: success stories

New analytical tools from proteomics and lipidomics (Isabel Medina, CSIC, Spain)

Hyper/Thermophiles: biodiversity and potentials (Mohamed Jebbar, IUEM Brest)

Genetic traceability and seafood (Françoise Denis, MNHN Concarneau)

The Biotecmar project, preliminary assessment (Ricardo Perez Martin, CSIC, Spain)

Day 2

Successful University - Industry Relationships:

Quebec (Guy Viel, CRBM Rimouski Quebec) - title to be announced

Scanbalt (Anders Goksøyr) - title to be announced

Submariner Programme (Gabriele Huhn, Norgenta, Germany)

Marine biotechnology in the Mediterranean Region – a CIESM perspective (Laura Giuliano, CIESM, Monaco)

Europabio (Jasmiina Laurmaa, Indus.Biotec?Projec Officer, Europabio, Be)) - title to be announced

Where is the room for SMEs? (Rachel Sellin, "Pêche-Aquaculture-Biotechnologies", Pôle Mer Bretagne, Quimper, Fr.)

The 'Rendez-vous de Concarneau' tomorrow: (round table discussion)

- Messages from industry to science – what should be given priority and how can academic research serve industry better?
- Visions of MNHN Concarneau for promoting better industry – science collaboration
- Is establishing a think tank in Marine Biotechnology feasible?

Conclusions

Practical informations and registration (before July 15, 2011) : flevu@mnhn.fr
